# Canine Freedom Ends; Leash Law In Effect

Andover dogs, as of today, have had their final romp about the Andover landscape.

As of today the new, strict, dog leash law, approved at town meeting in April is in effect, having been approved by the attorney general's office and posted in all of the town's eight precincts.

Town Clerk Elden R. Salter was notified this week by Asst. Atty. Gen. Henry F. O'Connell that all of the actions of town meeting in voting town and zoning bylaw changes had been approved.

The town clerk then had to post the new bylaws in all of the town precincts, an action which was completed by the constables as of this morning.

This makes the new bylaws effective and means that as of today stray dogs can be picked up by the dog officers and provisions of the leash law imposed, such as \$15 fines, plus cost of placing the animal in a kennel if necessary.

Approval of the new dog law provision puts into effect the two-year efforts of Sidney P. White to have stringent dog control in Andover.

White initially had the strict dog law before town meeting a year ago. Its approval, following considerable debate, resulted in the attorney general rejecting the bylaw, due to insufficient warning to the residents of the community prior to town meeting.

When the matter was presented to the October town meeting, Citizens for Humane Dog Control, were successful in having more lenient regulations adopted.

White returned again this spring with his more stringent regulations which were approved.

Until recently, the overall problem of dogs running free had abated somewhat, residents probably feeling the new regulations were already in force.

Town Manager Jared S.A. Clark said Wednesday that recently it appeared that dog owners had relaxed in their control of their animals, thus some problems again surfacing.

But, as of today, the dog officers are empowered to begin picking up stray dogs and the fines and charges as contained in the new bylaw may be imposed.

Under terms of the new law "no person shall own, keep or harbor in the Town of Andover, outside the confines of the owner's property (meaning owned, rented or leased), any dog which is not held firmly on a leash, no longer than six feet, by a person who shall have control of such a

dog."

Unrestrained dogs may be taken by police or canine control officer and confined in a humane manner. Owners may reclaim the dog by paying an administrative fee of \$15 plus \$2 boarding charge for each day the dog has been impounded, to a maximum of \$35.

With regard to fines and costs imposed by the law, Town Manager Clark said

## New Board May Assist Expansion

Cressey-Dockham Co., the Lowell Junction wholesale food distribution warehouse operation, may be the first company to utilize the services of the newly-created Industrial Finance Authority.

Appointed a week ago, the authority members met Tuesday night informally, to consider its organization and the process through which it authorizes the issuance of tax-exempt bonds to firms wishing to expand or build in the community.

The authority also looked into the matter of Cressey-Dockham Co., which as indicated a desire for a \$2 million expansion program for its warehouse and offices in Lowell Junction, according to Town Manager Jared S.A. Clark.

Clark also said the authority is aware of at least one other firm interested in applying for such assistance, thus action of town meeting in April authorizing creation of the new board would appear to be paying dividends as far as the town's industrial expansion is concerned.

The makeup of the authority is composed primarily of members of the Industrial Development Commission. At the informal meeting Tuesday, approval was given for requesting the state for a certificate of organization which will put the board in business.

The authority administers the issuing of the tax-exempt bonds through the state and financial institutions and does not obligate local tax funds.

## A Change In The Weather

David Kinsella, five, son of Dr. and Mrs. Michael Kinsella, had to wrap up in the cooler temperatures after a dip at Poms Pond this week. The cooler temperatures were a welcome relief from the oppressive heat and humidity of last weekend when David was joined by thousands who visited Poms for relief.

David James Canty, formerly of Andover, received a bachelor of arts degree from Vanderbilt University, Nashville, Tenn., at commencement exercises in May. He majored in political science and sociology and will enter the University of South Carolina Law School in the fall.

A graduate of Phillips Academy, Class of 1974, Canty is the son of Mrs. Margaret Holder Canty, now of Myrtle Beach, S.C.

## Earns Aviator Wings

National Guardsman David A. Bell of Hollis, N.H., recently received the silver wings of an Army aviator and was appointed a warrant officer upon completion of the rotary wing aviator course at the U.S. Army Aviation School, Fort Rucker, Ala.

The course provided training in leadership and helicopter flying techniques as well as instrument flight.

Bell completed the course with highest honors.

A 1962 graduate of Andover High School, he is employed as a pilot by Executive Airlines in Boston.

He and his wife, Stasia live in Hollis, N.H., while his mother, Mrs. Edith W. Bell lives at 31 Grandview Terr., Andover.

## Full Dress Concert At Park Tonight

"The Barons of Steuben," a Drum and Bugle Corps from Corning, N.Y., will give a full dress concert tonight at The Park for the public at 8 p.m., in appreciation for Andover hospitality.

The drum and bugle corps, here for a festival to be staged in Lynn Saturday night, were originally to be housed at the lodge at Rec. Park where they would also be rehearsing. When the lodge burned, Supt. of Schools Dr. Kenneth R. Seifert arranged for the members to stay at East Junior High school and practice at the park.

Tonight's concert is dedicated to Dr. Seifert in appreciation for his assistance and that of the town.

It is the third year for the corps using Andover facilities, but this year was the first time they were scheduled to stay in the town. In prior years, the group had used the

Playstead for practice.

Dr. Seifert at one time served as an administrator in Corning, N.Y. and his wife is from there. He was contacted three years ago about use of the facilities, since festival officials do not allow use of the fields in Lynn for practice.

Local officials were disturbed Wednesday over a few youths who caused some trouble following a rehearsal by the band Tuesday night.

Police were called to the park following a report of a fight in progress, but when they arrived there was no problem. Police were given a description and registration of a car in which the youths had driven off, and the car was later stopped and its occupants questioned.

The incident was still under investigation Wednesday.

## Special Bus Contracts Are Approved

The School Committee Tuesday night granted special transportation bus routes as follows:

To Bradstreet School, Williams, \$8 per day (\$1,440 year); Lawrence Boys' Club, D. Piercy, \$11 per day (\$1,980 year); Lawrence Rehabilitation, D. Piercy, \$12.50 (\$2,750 year); Lawrence Day Treatment, Easy Rider \$9.75 day (\$2,145 year); Carroll School, Easy Rider, \$29. day (\$5,220 year); Landmark, Rebecca Kenney, \$15. day (\$2,700 year); Lowell Rehabilitation, D. Piercy, \$10 day (\$2,200 year); Hogan Regional, Williams, \$8 day (\$1,440 year); Lowell Deaf Class, Easy Rider, \$15 day (\$2,700 year); Greater Lawrence

Vocational, Williams, \$5. day (\$900 year).

Transportation Assistant Sam Arcidy said that the \$23,475 in total contracts was awarded to the low bidders.

The committee also went along with his recommendation to ask Easy Rider, a new contractor to Andover, to pay a performance bond of \$2,000, or about 20 percent of the \$10,065 in total contracts awarded to him.

He said that Easy Rider comes highly recommended by the Lynnfield Schools, for whom he has driven in the past, and said the prospect of bonding is listed in the bid specifications.

## Soccer On Agenda For Selectmen

Selectmen will meet in regular session Monday at 7:30 p.m. in the meeting room of Memorial Hall library.

Among agenda items will be a conference with soccer league officials about use of Sacred Heart fields for their activities.

In connection with this it is expected that Town Manager Jared S.A. Clark will make some recommendations to selectmen on the adoption of a policy with regard to use of town facilities.

Clark said that some sort of policy should be adopted due to the

growing use of such things as fields for various town recreational groups, by which sponsoring organizations can participate. What will probably result will be the asking of the recreation department to examine the possibility of having the organizations do such things as lining the fields while the town will provide maintenance, such as mowing, etc.

The manager indicated that the growing use of facilities indicates the need for such participation by organizations.

## No Mini-Clinics During August

There will be no mini-clinics conducted during the month of August at the various senior citizen locations.

## Appointed Acting Dean At College

President John R. Dimitry of Northern Essex Community College, Haverhill, has announced the appointment of Dr. Robert E. McDonald, Andover, as acting dean of the college.

Dr. McDonald joined the faculty of the college in 1967 as a member of the Department of Mathematics. In 1973, he was appointed chairperson of the division of mathematics, science and technology. Dr. McDonald has been involved with many aspects of the college's administration, including curriculum development, budgetary matters and academic governance.

Dr. McDonald received his bachelor's degree in mathematics from Holy Cross College, his master's in mathematics

from the University of Massachusetts and his doctorate in mathematics from the University of New Hampshire. Prior to Northern Essex, he taught at Saint Francis College in Biddeford, Maine, where he served as coordinator of mathematics. He has experience in industry in the computer programming field.

Dr. McDonald, a life-long resident of the Merrimack Valley, was raised in Amesbury and now resides in Andover. In announcing his appointment, President Dimitry stated, "He has demonstrated excellent leadership capabilities through a clear understanding of the college's purpose. His depth and ability for this crucial position in the administrative structure of Northern Essex are difficult to match."

Dr. McDonald began his new duties July 3.

## Mystery Is Second Offering

The second offering of the summer repertory company at The Theatre At Brooks, is the spine chilling mystery thriller, "Veronica's Room," by Ira Levin.

Levin, renowned for "Rosemary's Baby" and "The Boys From Brazil," wrote a play that will keep audiences guessing until the very last moment.

Because of the nature of "Veronica's Room," no one will be seated after the start of the start of the first act.

Mrs. Frances Richard, just off the footlights from "Last Of the Red Hot Lovers," will play one of the key roles along with John Hopkins. Diane Montella and James Spader round off the cast.

The play opens tonight and runs Thursday through Sunday, this week and next. Curtain time is 8 p.m. Reservations may be made by calling 685-2057. Tickets will be available at the door.

Other plays being offered this season are "Equus," by Peter Shafer and "The Gingerbread Lady" by Neil Simon.

The Theatre at Brooks performs at the Brooks School, Rte. 133, North Andover.

## Ballardvale

Summer's ending quickly as the fourth week of playground marked the midpoint of the season. The temperature was high along with the spirit at Ballardvale playground this weeks.

On Monday we ran to the community center for shelter from the pouring rain and played rainy day games. On top of this we viewed a very interesting impromptu gong show led by Steven Mills (as Chuck Barris) and wacky performers such as Julie and John Madden.

Tuesday we hosted a kickball game with Doherty school as usual, Laurie's team

didn't do so well, but Bartley Parker (most improved player) and his team did a super job.

Wednesday almost the entire playground participated on the field trip to Boston Harbor and George's Island. Susan and Kelley Conley especially enjoyed themselves on the boat trip. When we

arrived on the island everybody scattered to explore the deep dark caverns of dungeons — Cindy Sherry and Tracey Cropper both were daring enough to explore one of the darker halls. Tim Nolan and Bobby Nutter got so caught up in exploring the island that they almost didn't return on time. But never fear, because Kim managed to get them on the boat just on time.

On the shore Susan and Sharon Parker, along with John Cropper, found many interesting shells to add to their collections.

South School hosted a kickball game on Thursday. Kim did very well, kicking a few base hits, while Patty Townsend also had an outstanding performance. After we returned to the playground, Amy Smith and Danny Mischaud really got their faces into their apples during the apple eating contest.

On Friday, everybody got to participate in some history while they all helped to crank the ice cream machine. Rejji and Lisa Meyers helped to crank while Mark chopped ice. Afterwards, everybody got their taste of good home-made chocolate-chip ice cream. Richie Meyers, Anne and Tracey especially enjoyed it. That good cool flavor was a perfect ending to a great week at the playground.

## Doherty

The fourth week of Doherty playground started with grey skies and rain, but that didn't dampen our jspirits here. On Monday we had fun playing elimination games and making crafts.

On Tuesday we had perfect weather for our Halloween day. Gypsies, bums, a doc-

tor as well as a patient all showed up for the festivities. The most original costumes were worn by Robert and John Ruel. Peals of laughter came from Doherty as Robert, dressed as a housewife, and John, dressed as a ballerina, with pink ribbons in his hair, came strolling to the playground.

Wednesday, our first field trip was a huge success, as 41 children from Doherty boarded the bus to Boston for the Boston Harbor Boat Cruise. At approximately 10 a.m. we boarded the boat and 40 minutes later we docked at George's Island. Screams and shrieks of horror were heard from all parts of the island as we explored dark, dingy caves. We returned to Andover at 2 p.m. with all 41 trip goers.

### Sanborn

Despite the rain, Monday was a fun day. While Chris took a trip to South playground to play battleballe, those who stayed at Sanborn played a variety of games such as 2 square, whiffleball and wonderball. Later we all had a break and ate marshmallows.

Wednesday was a beautiful day for our first field trip. We took a boatride from Boston Harbor to George's Island. Almost everyone from Sanborn agrees that the dungeon at Fort Warren was the island's most interesting feature.

Martha and Patty helped the kids back on the playground at making paper fish. Those who stayed and made fish were Cathy Terrion, John Terrion, Mini Bernarden, Aicky Lembo and David Ainscow.

Thursday Sanborn traveled to Doherty for a game of kickball. Back at Sanborn Rusty Leonard, Michelle Franz, Paul Jyne, Matt and Danny Moynihan helped out in making coffee can banks. Later on Kim Shoen, Diane Bowman, Brenna and Beth Cronin made puppets from socks.

On Friday, Martha and Kim took 20 children down to Poms Pond to cool off from the hot weather. Those of us that remained at the playground played hockey and practiced for The Good Sports Competition which will take place next Friday at the Doherty School.

### Shawsheen

Monday morning was a wet one, but attendance was high. Bombardment and crafts were the highlights of the day and our new aide Mike got a big welcome from the young ladies of the playground, Holly, Betsy, Nicole and Kim.

Tuesday through Friday the heat was torturous, but we marched on. Sanborn visited us for a big kickball game, in which almost everyone was a participant.

Thursday, West visited for a big game of prisoner ball and bombardment and it was very educational. Janice made her first

return to Shawsheen and was welcomed with open arms.

But once again Friday was the big highlight of the week. South came down for a friendly visit bringing four big bags of popcorn and a swarm of kids. It was a good chance for the kids to get to know each other. We are now looking forward to next week and the Good Sports Competition.

### South

Our fourth week at South Playground was a busy one. Monday was a rainy day and most of the activities were held indoors, with bombardment, games and crafts proving to be most popular. Tuesday we had a kickball game with West and had an enjoyable time. Back at the playground we made picture collages. Allison Ingram won our t-shirt design contest. Wednesday we spent a great day touring Boston Harbor while back at the

playground we made a chalk mural and went on a frog and lizzard hunt. Thursday brought a kickball game with Ballardvale and other fun activities. We also had an

### West

The week started off rather wet but we spread a little sunshine while spending the day inside. We surprised our leader George with a cake for his birthday. We made string paintings, collages and finished up our decoupage. Four-square moved inside and the competition was fierce. Tuesday was "Hat Day" on the playground. Those participating in the contest were Brenden McGrail, Stephanie Stone, Michele Gianonn, Janine Salteri, David Steward, Kristin Lee Johnson and Sarah Perry.

Wednesday most went on the boat ride to George's Island. The cruise was great,

the weather perfect and the island enchanting.

While we were away Barry held down the fort and made egg carton flowers and played hide-and-seek. Thursday we had our baby picture contest and there was a nine-way tie for first place. The winners were Michael Blaustein, Beth and Kristen Robinson, Amy Gallant, Louise Bartlett, Mike Swetz, Wendy Blais, Kristen L. Johnson and Michele Gianonne, John Smyth, Wendy Blais, Jenny and Kristen Robinson won our balloon popping contest. Friday was "Western Day" and Billy Lewis' birthday. Thanks Mrs. Lewis for the cake!

We had a bike rodeo and Chris Lyons won with a record breaking time. Runners up were Mark Doherty and Mike Liou. Next week we are going to practice for Good Sports Day and Get greased for "Greaser's Day." So if you see Lavern or

## R/CS-capades

### Family Movie

This week's family movie will feature Patrick Wayne and Taryn Power in "Sinbad and the Eye of the Tiger." Movie time is at dusk on Monday, July 31. Once again, the full length film presentation will be held in Central Park. In case of rain, the film will be shown the following evening at the same time and location. Admission for all summer R/CS movies is free and the public is welcome.

### Rock Concert

The season's second rock concert will take place on Wednesday, July 25 at 7 p.m. in Central Park. This Wednesday's performance will feature the sounds of "Cabin Fever." All R/CS rock concerts get underway at 7 p.m. and end at 10 p.m. Admission is free and the public is welcome to attend.

### SPARC

Hello! SPARK Park is now at South School, just up the street from the Recreation Park where the lodge burned down. Since it was a rainy day last Monday we stayed indoors and played dodgeball and basketball. Some people learned to do the Hustle. The younger crowd practiced for a production of Make Way for the Ducklings and Thursday's performance was enjoyed very much by all. When the sun came out Tuesday morning we explored South playground before taking the bus to go swimming at Pumps. A hike was attempted around the pond afterwards, but a detour had to be made so we ended up at the top of the hill overlooking the pond, munching on gorp, a high energy trail snack. Wednesday part of the group joined the other playgrounds in a Boston Harbor cruise to George's Island where we toured Fort Warren. That day the younger group visited the fire and police stations and also went bowling.

Thursday we celebrated Drew's birthday with a special birthday cake. Friday the whole group went to Boston to view the city from the John Hancock building. Then

everyone went on the Swan Boats to feed the ducks, after which we ate lunch on the Common.

### Field Trip Planned

On Wednesday, Aug. 2, children from all the summer playgrounds will have an opportunity to visit Benson's Wild Animal Farm in Hudson N.H. Registration forms are available at each playground and must be returned, along with a fee, by Monday, July 31. Buses will be leaving each area at 9 a.m. and will return at about 2:30 p.m. For further information, children should see the supervisor at the playground nearest their home.

## Receives Computer Certificate

Patricia Ann Ripley, 7 Center Street, Andover, was awarded the Certificate in Data Processing (CDP) from the Institute for Certification of Computer Professionals (ICCP) for successfully completing the 1978 examination. The ICCP annually administers the examination in more than 100 controlled testing centers at colleges and universities across the United States, Canada, and throughout the world.

Ms. Ripley, a computer auditor with

Arthur Young & Co., in Boston, was one of the 918 successful candidates out of 2835 who took this year's examination. Prior to coming to Andover last year, Ms. Ripley was employed as a computer programmer by Amherst College in Amherst. She has a degree in Accounting from the University of Massachusetts.

ICCP is a nonprofit organization comprised of eight computer societies for the purpose of testing and certifying knowledge and skills of computer personnel. The examination establishes a method for recognizing a corps of individuals who have knowledge considered important to data processing and information management. The CDP helps lay a foundation for the continued growth of the data processing field and for the personnel within the field seeking to attain a position of leadership.

## Appointed Manager By Airline

Dennis J. Graham of Andover has been appointed manager of passenger sales for American Airlines in Boston.

He will succeed Alfred A. Ackerman of Topsfield, who was recently named manager of passenger services for American in Boston.

Graham most recently served as zone sales manager for the airline in Detroit and before that was account executive in airfreight in New York City.

He is a veteran of 13 years with the airline and began his career as a reservations salesman in New York City. He has also held management positions in airfreight, charter operations, passenger service, advertising and sales promotion.

He is a graduate of St. John's University in New York with a bachelor of arts degree in political science and a master's degree in business management.

He is a member of the American Airlines Management Club, the American Society of Travel Agents, the Sales Marketing Executives Club and the Airline Sales Managers Association.

He and his wife, Carol, a former American flight attendant, reside with their 15-month old son, Christopher, on Bannister Road in Andover.

### Bond Sales

Sales of Series E and H United States Savings Bond rose to \$4.28 billion for the first six months of 1978. This is four percent above the same period last year, and the highest six-month total since 1945. Second quarter 1978 sales of \$2.13 billion include June E and H sales of \$662 million. The yearly sales goal for 1978 is \$8.3 billion.

# Firm Retained For Negotiations

The school committee Tuesday night voted to hire the legal firm of Holtz, Drackman for a \$10,000-a-year retainer fee, to help almost exclusively with contract negotiations.

The firm, which also handles negotiations for the town, was recommended by Committeeman Casimir Kolaski, following a study of legal firms.

During the two-year arrangement, they will be dealing with all seven units with which the committee bargains.

They will be asked to come on board right away, to get in on negotiations underway with the Teamsters (the administrators). That contract now appears to be headed toward mediation.

The committee chose not to go with an hourly fee, the basis on which the firm works for the selectmen. However, Kolaski said he felt the rates, either hourly or retainer, were "in the ball park" with other firms.

Kolaski said one thing in favor of the straight retainer is that they'd also get the benefit of the firm, at no extra charge, when negotiations were over.

However, if a grievance goes to litigation, the charge would be additional, over and above the retainer.

Chairman David Ahouse said he felt legal counsel is important, so the committee wouldn't make any contractual agreements that could be detrimental to the town in the long run, "just because of

our ignorance."

Kolaski said he felt they would reap the savings — some of them "hidden" — that might equal the fee they're paying.

He also said that since Holtz, Drackman is working with the town in the area of fringe benefits, there is "at least some

Austria declared war on Serbia and World War I began on July 28, 1914.

chance" that a coordinated effort could be forthcoming.

The Andover Education Association contract is the one that usually takes the most time. The committee also negotiates with the aides, food service workers, custodians, nurses and secretaries.

## Gridiron Gets Exclusive Tag

Athletic Director Richard Swift and Supt. Kenneth R. Seifert have recommended keeping the Andover high football field for football only.

Seifert said the question of using the varsity field for other sports had been raised, and that his recommendation was made on a report from Swift.

Seifert said he was concerned, along with Swift, that the use of the field for other sports would probably destroy "one of the best football fields in the Merrimack Valley."

Swift noted that the field was designed for football, that it is a topnotch facility and that injuries have been minimal in a highly contact sport.

He said extending the use of the field

would result in rapid deterioration and jeopardize the safety of the players. He said DPW Director Robert McQuade had substantiated the observation, and that he had seen such deterioration actually occur in another town.

He said additional lines would have to be placed on the field for use by another sport and that while they could be of a different color, could still cause confusion.

He said that if they considered using the football field for soccer, they would also have to consider using it for field hockey.

Presently, he concluded, there are five soccer fields in Andover, "ample to take care of our present needs." He said he had, however, recommended a maximum-size soccer field for the high school renovation project.

## Obituary...

### HENRY V. McGOVERN

Henry V. McGovern, 87, one of the most prominent members of Lawrence Lodge of Elks, died Tuesday at the Winfield Convalescent Home following a long illness.

Born in Andover, Dec. 21, 1890, and a graduate of the suburban school system, he formerly made his home at 7 Forest St. in Lawrence. He was employed as custodian of the Lawrence Elks Home.

A past exalted ruler of the Lawrence Lodge of Elks, he was actively engaged in many of the organization's activities, particularly the cheers and monthly fund-raising awards. He was a member of St. Mary's Parish.

He leaves one sister, Cecila G. Collins of Andover; a brother, Sylvester of Andover; and several nieces and nephews, among them Mary, wife of Thomas Haugh of Andover with whom he resided for a time. The funeral will be held Friday with a Mass at 10 a.m. in St. Mary's Church. Burial will be in Immaculate Conception Cemetery.

Friends may call today from 2 to 4 and 7 to 9 p.m. at the John Breen Memorial Funeral Home, 122 Amesbury St.

# Locals Out Of Playoffs

By Rick Harrison

There will be no Little League Tournament champions from Andover this summer, as all three participating teams have been eliminated from District 14 action.

However, all three won at least one game along the tourney trail.

As reported in last week's TOWNSMAN, the Andover Senior All-Stars dumped Billerica American (8-2) before bowing out to Tewksbury American (3-2), while the Andover American crew edged Newburyport 4-3 in seven innings.

Andover National went a step further, battling to the District semi-finals following victories over Lawrence Prospect Hill (8-2) and Andover American (10-2).

Billerica National put an end to A-N's State Tournament dreams with a 7-3 triumph in the semis.

So the All-Stars went on vacation, which left the Cardinals and White Sox to fight it out for the annual Town Championship this week.

The best-of-3 series for Andover supremacy opened last Tuesday night and continued last night, both games after TOWNSMAN presstime.

If the first two games were split, the rubber contest will be played tomorrow (Friday) evening at West Elementary school.

Details of the Town Championship series will be in next week's paper.

The American League champion White Sox entered with a 15-3 overall record, while the two-time defending National titlist Cards were 15-7.

## Andover National, 8-2

Righthander Mark Lefebvre tossed a complete-game six-hitter, walking four and striking out six, as Andover National opened District 14 All-Star Tournament play with the 8-2 romp over Lawrence Prospect Hill.

A-N took a 1-0 lead in the first when speedster Zack Apgar singled, went to second on an outfield error, took third on Mark Grams' infield out, and scored on another misplay.

The lead jumped to 4-0 in the second when Andover National chased the first of three PH pitchers, Eric Sulivers.

Brett Larrabee started the rally with a walk, and then Robbie Wilson was safe on an error. Apgar followed with a short RBI single, and moments later catcher Kurt Smith stroked a crisp two-run single.

PH netted its two runs in the third, but A-N also scored once when Mike Twomey doubled and came home following errors on balls hit by Bill Brecher and Larrabee.

The winners wrapped up their offense with three runs in the fourth. Kurt Smith rapped a double, Chuck Arrigo was safe on an error, and Twomey walked to load the bases.

A passed ball rescued one run, Lefebvre spiked an RBI single, and Twomey cross-

ed on Brecher's infield out.

Zack Apgar, Kurt Smith and Mike Twomey led the A-N attack with two hits apiece. Dave Laporte, Lefebvre and Arrigo chipped in single safeties.

Defensively, Brett Larrabee unleashed a throw from rightfield that nailed a PH runner at the plate, and shortstop Mark Grams played a steady game.

# Tea Men To Visit Camp

The Phillips Academy Soccer Camp has begun its second week with a capacity enrollment of 108 campers and 16 coaches from surrounding local communities.

Highlights of the week's activities will

be a visit from two of the Tea Men on Friday afternoon from 1:30 to 4, and a Saturday morning program to which parents and friends of the campers are cordially invited. On Saturday beginning at 8 a.m.

on the PA soccer field off Phillips Street and Old Campus Road the campers will engage in various competitions to demonstrate the skills they have acquired during the week. These will include an

obstacle course, juggling, dribbling, pierce heading and goal shooting. The events will be followed by two games from 10 a.m. to 12 noon between the best teams in Divisions I and II. Prizes for the individual events and for the most improved players on each team will be awarded along with a certificate of completion of the camp.

Andover youth attending the camp this week are Brent Ballard, David Bates, Brian Bedell, Chris Bedell, Barry Bloom, Bill Brecher, John Chongris, David Clark, Daniel Donovan, David Donovan, William Donovan, Dwain Dorsey, Kyle Dorsey, Charles Dye, William Earnshaw, Christopher Egan, Robert Faigel, Eric Fredette, Christopher Gully, Susan Brade, Paul Hawley, John Hevehan, Paul Hevehan, David Hotham, Kevin Hunt, Susan Jasmin, David Jennings, Tom Keefe, John Kinsky, Craig Lebowitz, Howard Lebowitz, James Lebowitz, Marci Lebowitz, Glenn Livermore, Glenn McAnally, Scott McNamara, Daniel Merrigan, Matthew Murphy, Chris Ober, Danny O'Hara, Alvin Ohlenbusch, Norbert Ohlenbusch, Daniel Poore, Erik Poore, Doug Price, Mark Reed, Eric Ren, Tim Richards, Bryan Rourke, Rajiv Sheel, Lyde Sizer, Scott Smith, Chris Wilson, Kevin Wilson, Erika Wilson, Steve Wilson, Rick Apgar and Roger Townsend.

Attending last week's session were the following Andover residents: Radboud Beumer, David Cleary, Charles, Dye, John Fuchs, Paul Fuchs, Paul Gulla, Gordon Hannah, Stewart Hannah, Tom LaPorte, Greg Najjar, Casey Pant, Eric Pfofi, Paul Pfofi, Joseph Podgorski, Daniel Poore, Chris Sapuppo, Sara Sapuppo, Robby Teichert, Eric Teichert, Roger Townsend and Peter Galvin.

The third and final week of the Soccer Camp will begin on Monday, July 31, and Andover campers will number 45 among the total enrollment of 108. Camp Directors will entertain a few names for the waiting list. Please contact Joseph Wenne, Director of Athletics at Phillips Academy.

## Little League

(Continued from Page 14)

Andover American, plugging this game away with four-run outbursts in the first and second innings while undefeated Mike Twomey raised his record to 10-0.

American had defeated National in their only other All-Star meeting, and there was extra incentive on both sides because of the intro-town rivalry.

Righthander Twomey, although hit harder than he has been all season, went the distance and scattered eight A-A hits in the process. He walked only one batter and struck out five.

Righty Scott Zimmerman started for the Americans, but hurt himself early with control problems. Lefthander Billy Vickers was summoned in the second stanza.

A-N banged out 12 hits, while the two American hurlers walked four, hit a batter and fanned two.

Vickers, however, was strong in his relief stint.

The Nationals jumped ahead 4-0 in the first. Zack Apgar was hit by a pitch, Mark Grams and Kurt Smith drew walks, and Twomey helped himself by belting a one-out grand slam homerun over the right-centerfield fence at West.

The score jumped to 8-0 in the second, and all the damage was done after one out. A single by Robbie Wilson, a double by Apgar and a walk to Grams loaded the bases. Smith stroked an RBI single, Chuck Arrigo laced a two-run single, and Twomey drove in his fifth run with a single.

Consecutive A-N singles in the third by Mark Lefebvre, Brett Larrabee and Zack Apgar upped the score to 9-0.

The victors hit double figures in the fifth when Dave Laporte singled, Paul Burke bounced into a fielder's choice forceout, and Apgar belted an RBI double.

A-A avoided the shutout in the sixth, scoring a pair of runs when Billy Vickers singled, Bill Foley doubled, and Mike Coelho came through with a two-run double.

Apgar finished the game a perfect 3-for-3, reaching base four straight times altogether, while Twomey was 2-for-3 with five RBI.

Chris Scarpa and Steve Dugal also added

single for A-N.

Dugal, meanwhile, played a strong defensive game at shortstop.

Billy Vickers and Mike Coelho paced the American offense with two hits apiece.

## Billerica National, 7-3

Andover National ran headlong into a smoking lefthander named Tom Glavin, and once he straightened out early control problems he was trouble.

Glavin, throwing just as hard at the end as was at the beginning, stopped A-N on a four hitter, walking four and whiffing 12.

Mark Lefebvre and Mark Grams pitched for the Nationals, allowing 11 hits. They didn't register a strikeout or issue a walk in the game.

Billerica National was never behind, jumping off to a 4-0 lead in the top of the first. Andover cut the deficit to 4-3 by the second inning, but then Glavin shut the door and his teammates provided some breathing room with three insurance runs in the fourth.

In the four-run Billerica first Rob Miner singled, Craig Miller reached on a forceout erasing Miner, Glavin singled, and Bill Cooley was safe on an error to load the bases.

Bill Boyle then clouted a three-run double to right-centerfield, and John Halmen followed with an RBI double to the same spot for the eventual game-winning run.

A-N started to battle back in the bottom of the first. Zack Apgar continued his torred All-Star hitting with a leadoff single. He took second on Mark Grams' in-

field out, and walks to Chuck Arrigo and Kurt Smith loaded the bases.

Mike Twomey was hit by a Glavin pitch to force in a run, and Lefebvre walked to make it 4-2.

In the A-N second Apgar reached on an error, and he then circled the bases when Grams hammered a long double to right-centerfield. That made it 4-3.

The Billerica National fourth wrapped things up after Glavin settled down.

Kevin Johnson opened the stanza with a single. He was nailed at the plate trying to score on Rob Miner's double, but Miner advanced to third and scored when the throw trying to erase him sailed into left-field.

Craig Miller than singled, Glavin doubled, and Bill Boyle drove home his fourth and fifth runs of the game with a single.

Glavin finished the contest 3-for-4 and was 8-for-12 (.667 average) in three games. Miller, Miner and Boyle added two hits each for Billerica.

Zack Apgar went 2-for-4 to lead Andover National, and in three tourney games Zack was 7-for-10 for a .700 average while reaching base nine times.

Billerica National advanced to the District 14 final, facing defending champ Tewksbury National last night in Chelmsford.

A grateful mother in the Congo, impressed by the UN's educational work, named her son Unesco.

## To Enter Air Force

Mary Ellen King, 22, daughter of Mr. and Mrs. William F. King, 71 Harold Parker Road, Andover, poses with her dad after receiving a B.S. degree in nursing June 18 from Northeastern University. A member of Phi Kappa Phi honor society and the university's chorale society, she plans to enlist in the U.S. Air Force, as part of the flight nursing program. She is a 1973 graduate of Andover High.

## Dog Law

(Continued from Page One)

Wednesday that recent action of the legislature has permitted towns to adopt a more aggressive fee structure, which, depending on conformance with the new laws by Andover residents, may come before the October town meeting.

Clark said the town doesn't want to get into the dog business, or in other words, make the enforcement of the new law a costly proposition to the taxpayers.

If there is evidence of non-conformance with the bylaw, resulting in considerable cost to the town, then he would recommend to the October town meeting an increase in the amount of fines and penalties to be imposed.

The \$15 fee could be raised to \$25 for the first offense, and \$50 for the second, with costs incurred also tacked on.

Prior to the new legislation, there was a

\$15 limit on administrative costs and \$2 maximum on pound fees.

Animal Control Officer Donald Porter has had the assistance of a CETA worker in the administration of the old leash law, and obtaining of a second truck to pick up animals is in the works.

The additional man, has assisted in the patrolling of streets along refuse pickup routes and also before and after school hours when dogs were to be restrained under the former bylaw.

Other bylaws approved by the attorney general this week included an alteration in provisions for the issuing of the finance committee report which now mandates such report be sent to each household rather than each individual as previously. Also regulations for use of recreational vehicles on town property, were approved.

Flood plain districts created by town meeting action along with adoption of Chapter 808 Zoning Regulations were also given approval by the AG office.

## Vacation Bible School Planned

Preparations are now being made for the yearly Vacation Bible School at Andover Baptist Church.

The theme for this year's Bible School is Come and Find God's Secret. Children from five years of age through the sixth grade will be taking part in the program which includes singing, Bible study, crafts and prayer.

The program will run from Monday through Thursday, 9:30 to 11:30 a.m. for two consecutive weeks beginning Monday, Aug. 14. On Thursday, Aug. 24 the children will present an evening program of song for their parents and friends.

In addition to the classes for the children there will be a Mother's Class taught by Mrs. Ginger O'Shea. A nursery for children through the age of three and a special class for four-year-olds will be provided for the children of the mothers attending this class. All are invited to attend and anyone wanting more information should contact Kenneth Williams.

## Organist Returns To Hall

Methuen Memorial Music hall's ninth summer series program next Wednesday evening, Aug. 2, will present the return of Jack Fisher, organist, of Boston.

The program includes: Sonata IV (Allegro con brio — Andante religioso — Allegretto — Allegro maestoso e vivace) — Felix Mendelssohn; Prelude et Fugue sur le non d'Alain, Op. 7 — Maurice Durufle; Symphonie III, Op. 28 (Allegro maestoso — Cantilene — Intermezzo — Adagio — Final) — Louis Vierne.

Fisher is director of music at the Union Church in Waban, Mass., instructor of organ at Boston University, organist of Temple Sinai in Brookline, titular organist of the Church of the Immaculate Conception in Boston, and instructor of organ at Milton Academy. He is also co-chairman of the program committee for the Methuen Memorial Music Hall.

He received his bachelor of music degree at the University of Texas, and his master of sacred in music degree from the Union Theological Seminary in New York. He was given many recitals in the New England area, and has also performed at the Riverside Church in New York, Washington Cathedral, West Point Cadet Chapel, at regional conventions of the American Guild of Organists, and at national conventions of the Organ Historical Society.

This is his 10th appearance on the summer series of the Methuen Music Hall.

The program starts at 8:30 p.m. and doors open at 7:30 p.m.

On Aug. 9, the series presents Henry Hokans, organ, and Blaine Corey, Flute, from the Worcester area.

## Newburyport "Homecoming" Scheduled

Every year Newburyport celebrates its past with nine days of festivities. During "Yankee Homecoming" all Yankees, native or adopted, are invited to "come home" to explore the old historic city, the smallest in the Commonwealth.

This year's celebration is Saturday, July 29, through Sunday, Aug. 7.

One of the highlights of Newburyport's week long "Yankee Homecoming" celebration is the Market Square Festival. The arts and crafts fair will be Aug. 1.

This is the fourth year for the fair, with something for everyone, including art, pottery, weaving, macrame, scrimshaw, stitchery, and stained glass. The Festival is from 10 a.m. until 5 p.m. at Market

Square and the Inn Street Mall in downtown Newburyport.

## How To Freeze Beans

Snap, Snap, Snap, is that lovely sound of a perfectly ripe, just right for eating, green bean. Here is what you'll need to do to freeze beans for good eating later this Fall.

Remember that freezing will not improve the initial quality of the vegetables, but will preserve the food quality and nutrients all ready present and prevent spoilage if the freezer is set at 0 degrees F. or lower.

Harvest young tender beans early in the morning before they have absorbed heat from the sun. Undermature beans will lack flavor and overmature will taste flat in addition to being either tough or soft.

Experienced gardeners know that two hours from the garden to the freezer is a good rule of thumb. If food must be kept a short time before processing, keep it in a cool, airy place or put in the refrigerator.

Wash beans thoroughly under cold running water or through several changes of water. Do not allow the beans to soak as they will lose flavor and nutrients. Sort, trim and cut the beans to uniform size.

Blanching is absolutely necessary before freezing a high quality product. It inactivates enzymes that cause changes in texture, flavor, odor, color and ripeness. Freezer temperatures decrease the enzyme activity, but do not stop it. Blanching heats the vegetable long enough to stop the action of the enzymes, but not long enough to cook it. Frozen, unblanched beans will deteriorate after one month in the freezer at zero degrees F.

Bring one gallon of water to a boil. Place one pint (about a pound) of prepared beans in a blanching basket. The blanching basket should have enough holes to allow the water to circulate fully around the

beans when immersed in the kettle of boiling water. Heat the beans in boiling water for three minutes. Remove immediately from the boiling water and immerse beans in a pan of cold water or ice water. Cool the beans for a least twice the amount of time for blanching (six minutes).

Drain and package in moisture vapor freezing materials, leaving a half inch head space, seal and freeze. Frozen green beans will maintain their fresh garden quality for about 10 months when held at zero degrees F. or below.

To serve: bring one half cup of water to a boil, add one pint of frozen beans, cover and continue cooking for eight to ten minutes.

Free information and literature on all aspects of food preservation is available on request to the Extension Home Economics Department at the Essex Agricultural and Technical Institute, Hathorne, MA 01937.

Mr. and Mrs. William B. Weidlein

*Weidlein - Spatola*

Holy Rosary Church, Lawrence, was the setting for the June 10 marriage of Sharyn Raechelle Spatola, daughter of Mr. and Mrs. Alfred A. Spatola of Andover, to William Butts Weidlein son of Mr. and the late Mrs. Robert B. Weidlein of Greensburg, Pa.

Rev. Francis DiMatteo O.S.A. Holy Rosary church, officiated at the 12 noon ceremony.

Given in marriage by her father, the bride wore a Priscilla original designed in silk organza and re-embroidered Alencon lace. The gown was fashioned with a Sabrina neckline and cap sleeves, having an A-line skirt with a chapel sweep. Her headpiece was a matching mantilla with re-embroidered Alencon lace to complement her gown. The bride carried a presentation bouquet of white master-piece roses.

Miss Nancy L. Gioia of Methuen attended her cousin as maid of honor, wearing an over-the-shoulder gown of Voile and matching stole, her headpiece was fashioned of fresh miniature carnations matching her gown, she carried a presen-

tation bouquet of white miniature carnations.

Wearing identical gowns and headpieces and carrying the same presentation bouquet of white miniature carnations were the bridesmaids, Mrs. Geraldine Dawes Spatola, the bride's sister-in-law, of Indianapolis, Indiana; Miss Hazel L. Weidlein, sister of the groom, of Greensburg, Pa.; Miss Nina Gioia, the bride's cousin, of Methuen and Miss Christine M. Knauss of Poughkeepsie, N.Y.

George McNary Weidlein served as his brother's best man.

Guests were ushered by Kenneth B. Spatola, brother of the bride, of Indianapolis, Indiana; Paul A. Reed of Greensburg, Pa., John P. Cholock of Greensburg, Pa., and Raymond O. Addis of Greensburg, Pa.

A reception followed at the Andover Country Club with Miss Rosemarie D'Ursi presiding at the guest book.

The couple then left on a wedding trip to Bermuda.

Upon their return they will reside in

Philadelphia, Pa.

The new Mrs. Sharyn Weidlein graduated from Cornell University, Ithaca, N.Y. receiving a Master's Degree in chemical engineering, she is employed as a research engineer by Scott Paper Company, Philadelphia, Pa.

Her husband also received his chemical engineering degree from Cornell University and is employed as a development engineer by Rohm and Haas Inc., Philadelphia, Pa.

### Japanese Gardens

The noted Japanese garden expert, Samuel Newsom, is speaking at the Peabody Museum of Salem on Friday evening, August 4, at 8 p.m. Mr. Newsom's love for Japanese gardens began as a small boy when he saw a marvelous miniature garden complete with mountain, pond and goldfish, that a Japanese neighbor in California had made. Japanese

Garden Construction; the first of Mr. Newsom's six books, was published in Tokyo in 1939, after he spent five years mapping and studying the ancient gardens of Japan. He feels that this area lends itself particularly well to the concept of Japanese gardening.

His lecture at the Peabody Museum will be on Using Japanese Garden Principals in New England. The Japanese use natural materials but their plans, says Mr. Newsom, seek to "eliminate the imperfections of nature."

### Mansion Open

Victoria Mansion, a registered national historic landmark and example of high Victorian architecture, is open for guided tours at 109 Danforth St., Portland, Maine. Includes seven Carrara marble mantles, flying staircase with handcarved mahogany bannisters.

### Antique Show For Banke

After a stay at Martha's Vineyard, the couple took up residence in Cambridge, where both are pursuing doctoral studies at the Massachusetts Institute of Technology.

## Fr. Martin Appearing In Musical

There's no business like show business when that celebrated Irving Berlin musical hit comes to the Town & Country Playhouse in Salem, N.H. "Annie Get Your Gun" with all favorite song hits continues through Sunday, July 30 and into a second big week from Wednesday, Aug. 2 through Sunday, Aug. 6. This big musical Broadway hit will feature favorite New York performers in a spectacular production that is great family entertainment.

For the fourth consecutive year, Rev. Jon Martin of St. Robert Bellarmine Church in Andover will appear in another production to help raise funds for his pet charitable project — the 1978 Exceptional Children's Week at Camp Fatima. The Camp Fatima project started 20 years ago and Fr. Martin has been associated with

its operation for 19 years. He spends his annual vacation setting up the camp theme and directing its program of activities. Every year children have been treated to a week of activities which necessitates a budget of \$13,000 and more. These funds are partly raised by Fr. Martin at the Town & Country Playhouse and several other fund raising projects. More than 125 mentally and physically handicapped children come to camp from all over New England. In "Annie Get Your Gun" Fr. Martin will appear in the role of Charlie Davenport who is Buffalo Bill's promoter. Rev. Martin, who has been seen in other productions at the Salem theatre, has appeared in many other productions throughout the area.

The famed Irving Berlin score includes such hits including "There's No Business Like Show Business," "You Can't Get A Man With A Gun," "Doin' What Comes Naturally," "Anything You Can Do"

"Annie Get Your Gun" will be performed nightly Wednesday through Saturday at 8:15 p.m., Sunday at 7 p.m. with a Thursday matinee at 2 p.m.

### Benefit

The musical comedy hit "Bye Bye Bridie" will be presented Friday, Aug. 4, as a benefit for the American Lung Association of Essex County at the North Shore Music Theatre, in Beverly. The Tony Award-winning play has been acclaimed as one of the funniest and most captivating musicals ever

"Bye Bye Birdie" stars Bobby Rydell, the recording star who, in the title role, helped make the play a smash hit. In a supporting role is the popular TV comedienne Selma Diamond.

The proceeds of the benefit will support the American Lung Association of Essex County's continuing work toward the prevention and control of lung disease.

The bride is a graduate of Salem State College.

Mr. Velonis attended St. Francis College and is employed by the Peabody Supply Co.

## Vegetables At Peak

It's the peak season to savor the special "taste of Massachusetts," and fresh native vegetables are also ideal foods for hot, summery weather, suggests the state Food and Agriculture Department.

Crisp, cool salads will help keep down the kitchen heat, and other vegetable dishes can be cooked in the cool of the evening and chilled overnight in the refrigerator.

A ratatouille of zucchini, eggplant,

### On Dean's List

Jo D. Crompton and Laurie B. Gould of Andover, John R. Blair, Dorothy A. Boynton and Marie C. Sangermano of North Andover, have been named to the Dean's List at Bridgewater State College for the 1977-'78 academic year.

### To Attend Colby-Sawyer

Anne-mette Skillings has been accepted at Colby-Sawyer College, New London, N.H. The daughter of Dr. and Mrs. James Skillings, she will major in liberal arts.

Colby-Sawyer College is the oldest independent women's college in the state and one of the few in New England. It serves nearly 700 students and from more than 30 states and several foreign countries, offering 10 associate and 12 bachelor degree programs.

### First Stewardess

The first stewardess was Miss Ellen Church, a registered nurse, who welcomed 11 passengers aboard a flight from Oakland, Calif., to Cheyenne, Wyo., in 1930.

peppers and tomatoes can be served cold or hot, and it's a dish that also freezes well. For a more elaborate menu, ratatouille makes a delectable filling in crepes or omelettes.

Cold marinated vegetables such as green beans and beets can be readied in advance to serve with cold sliced chicken, turkey, ham or tuna salad. Cold meats and cheeses can also be used to create a main dish "chef's salad" with spinach and greens, sliced raw zucchini, tomatoes and cukes.

Cole slaw and potato salad are perfect accompaniments for meats cooked over the charcoal grille, and vegetables can also be cooked in foil or kabob-style when you're cooking out-of-doors.

Vegetables add both vitamins and variety to summertime meals. The native crops most plentiful now include green beans, zucchini and summer squash, eggplant, peppers, cabbage, cucumbers and tomatoes.

# School Board Approves Administrative Increases

## The ANDOVER TOWNSMAN

The Second Front Page

JULY 27, 1978

New Officers

Three new lieutenants and a new deputy chief have recently assumed their duties with the fire department. Pictured with Fire Chief William T. Downs, are, from left, Lt. Arthur Poullis, Lt. William Moore, Deputy Chief Thomas Andrews, Town Manager Jared S.A. Clark and Lt. Charles Murnane.

## School Age Is Reaffirmed

The September 1 cutoff for school entrance, a recurring controversy since the date was changed from December 1 a year ago, was upheld by the school committee Tuesday night.

The committee also reaffirmed their intention not to continue readiness testing for fourth quarter youngsters — those whose birthdays fall between Sept. 1 and Dec. 1 — in the future.

Such testing was provided this year because the committee felt that parents hadn't had fair warning when the policy

was passed in the spring of 1977. Many parents had already made plans to enter their youngsters in nursery school that fall, with the intention of sending them on to kindergarten in the fall of '78.

The consensus of the committee Tuesday night, was that anything other than an arbitrary, "black and white" cutoff date, would only lead to confusion and keep parents "up in the air."

Chairman David Ahouse said he didn't feel it was fair for parents to wait until testing in May to see if their youngsters

were developmentally ready for kindergarten in September.

Only one child, whose parents were misinformed by two school committeemen and the superintendent's office about continuation of the testing, will be given the test next spring.

Mrs. Linnea Gershenberg, early childhood specialist, told the committee that she preferred the Sept. 1 cutoff to Dec. 1, and that the national trend is in

(Continued on Page 56)

## History Program Funded

The new oral history program was funded for another year by the school committee Tuesday night.

Acting on a recommendation from Supt. Kenneth R. Seifert, the committee voted \$5,000 for Sean Kennan, who worked with junior high students over the past year, to interview the town's senior citizens and record history through their eyes.

Kennan was officially employed by CETA for the project, but the CETA funding has terminated.

Seifert credited Kennan with "great sensitivity toward senior citizens," and said he had worked very, very closely with the faculty and students.

He said there is no way this project could be duplicated in the classroom, and added that he wished the \$5,000 could be

more.

"It's not substantial," he said, but all the budget can afford.

More than 50 students participated in the project, and "A Compendium of Oral Accounts" has already been printed.

Committeeman Joseph Finn recommended that the final project be available to the community.

There was back-patting all around Tuesday night, as the Andover School Committee unanimously approved raises — and a couple bonuses — for the Central Office staff.

Supt. Kenneth R. Seifert ended up with \$38,750, a 5.4 percent increase, while Business Manager Edward Maguire received \$27,500, a 6.8 percent hike.

Plant Engineer Al Hart received \$20,100 (6.3 percent increase) plus a \$1,000 merit bonus, and HUVAC Engineer (heating, ventilating and air conditioning) James Brightney, \$17,850 (6.3 percent) plus a \$750, one-time merit bonus.

Cafeteria Director Richard Barron was upped to \$17,000, a 6.0 percent increase plus an adjustment to bring his pay more into line with his counterparts throughout the state. Transportation Assistant Sam Arcidy and Administrative Assistant Theresa McNally will receive \$14,350 and \$11,800 respectively.

Seifert led off the compliments by noting that Maguire had handled a few projects "very very well" over the past year, including program budgeting, inventory control, and his work on the computer advisory committee.

Maguire, he said, is very rapidly bringing the business office "up to snuff."

Committeeman Elaine Viehmann was "very pleased" with the things she'd seen Maguire accomplish, while Casimir Kolaski was "most favorably impressed." Joseph Finn, who served on the "search committee" which found Maguire, said his expectations had pretty much been fulfilled. Alan Doerr added a note of appreciation for "work well done," while Chairman David Ahouse added his "fine job" to the others.

Seifert recommended that Hart be rehired for July '78 to July '79, despite the fact that the job was originally scheduled to self-destruct in October.

Seifert said he had been talking to the town manager about a plant engineer for all town facilities, and said he would certainly be recommending Hart for the job, based on the job he's done for the schools.

However, Seifert said it was unlikely that decision would be made before October.

He went on to say that the schools' previous contract with Johnson Control for overseeing the heating systems had cost the town up to \$60,000 a year, and that Hart and Brightney together saved the town more than \$40,000 last year. On the basis of that savings, he recommended the one-time bonuses, to be paid in one lump sum.

The idea of merit pay is not new to school systems, he said, and added that the two were "certainly worthy."

Seifert said that there had existed a "tremendous discrepancy" in salary between Barron and other cafeteria directors in the state. In return for the increase, he said, Barron would "officially" be putting in additional time before school begins in the fall and after school is out in the spring. However, Seifert added, Barron has always done so on a voluntary basis.

The committee also approved the increase for Seifert by a 5-0 vote.

Ahouse noted that he has witnessed a great deal of innovation, some obvious and some not so obvious, and some credit has been given to staffers, he was aware that a lot of the initiative was coming from Seifert.

"I feel the service we've gotten from him is meritorious," Ahouse said.

## Some Midsummer Thoughts

Having survived the heat and humidity of last week, and somewhat refreshed by the pleasant temperatures of this last week of July, we pause for some midsummer thoughts, as follows:

### School Plans

It would appear that the major construction project facing the town over the next few years — renovation of East Junior High and building an auditorium — is off to a good start.

The building committee makeup gives every evidence of being a capable, conscientious group, dedicated to providing the town with its needs within the budget provided — \$10 million.

Selection of the architectural firm of Perley Gilbert Associates also seems a wise move.

The firm has an established reputation in school construction and has done considerable work in Andover. The Lowell firm will be working on a building designed originally by members of the firm over 60 years ago. Gilbert Associates has also done considerable work over the years in Andover both in school construction and in planning some residential properties.

Building committee members and architects are now charged with presenting to the town plans for junior high renovations and construction of an auditorium-classroom building at the Shawsheen road school complex. Uppermost is consideration of getting the total project accomplished within the projected funding of \$10 million.

Also, it is hoped that the renovation project can be completed with only a school year of disruption.

The total task will require considerable effort, but, at this point, we feel everything is moving in the proper direction.

### Rec. Department

The Recreation/Community Schools department, an agency which somewhere along the line provides some services for just about everybody in town, lost one of its most popular facilities through fire last week.

At this point, the department must be wondering what might happen next.

The lodge at Rec. Park, destroyed by fire, was in almost constant use, and played an important part in the department's summer program.

But, the community service agency, which it is destined to become, has faced challenges before.

It has been under the direction of a capable acting director, Joan Pearson, for over a year. The Recreation/Community Schools committee has operated at less than capacity for about the same period of time.

Scheduling of facilities to accommodate the many teams active in the community during various seasons has presented problems which have been overcome.

So, despite the loss of the lodge and the prospects of its replacement some time distant, the recreation department, based on past performance, will somehow overcome this problem and continue to quietly provide services for Andover residents of all ages.

### Financing Authority

Selectmen and town manager have appointed an Industrial Financing Authority which is designed to assist new industries to locate in Andover.

The authority is empowered to provide tax-exempt bonds to industrial firms already here, or others interested in locating in the community, in order to build facilities.

Preceding the appointment there had been considerable talk about firms expressing an interest in locating in Andover, with a forecast of several million in new construction in the offing.

It is therefore pleasing to see the committee appointed and in operation in order to facilitate such prospects.

A survey a few years ago, indicated that Andover residents were interested in obtaining new, clean industry for the town to assist in broadening the tax base.

The financing authority is provided with the tools to accommodate those wishes.

## Down The Years With The Townsman

### 75 Years Ago — July, 1903

The cattle inspector finished his work in Andover, Saturday, and as a result of his inspection found all of the 200 herds examined in a perfectly satisfactory condition.

Miss Florence I. Abbott and Miss Angie Burthave gone to Silver Bay, Lake George, where they will attend the national convention of the Congregational Missionary Society.

The bridge on Stevens street is now ready for travel. Supt. Lovejoy has had the bridge raised two feet, two inches and as a result of this the bridge will be free from water at all times. He says the bridge will not need replanking for another 15 years.

Owing to a trolley striking the main wire near H.F. Chase's store, several telephone wires were out of order Wednesday. Linesmen were working all the afternoon and by Thursday the lines were in operation again.

A friend of Phillips Academy has presented anonymously to Principal Alfred E. Stearns a gift of \$25,000 to be used for a purpose considered most worthy. It is probably to be applied to the construction of the new infirmary building.

### 50 Years Ago — July, 1928

Passing the test for junior lifesaving at Pomp's Pond this week were James Tammany, Frank Mooney, Mary Doherty, Alfred Bissett, John Gallagher, Albert Cole and William Daly.

John L. Dugan has returned home after a business and pleasure trip through the middle west making an inspection of the freight terminals of the Wabash Railway at Buffalo, Detroit, Chicago and St. Louis. Mr. Dugan's trip was unique in that he traveled by rail, boat, bus, air and horseback.

Boy Scout Troop 7, meeting this week in St. Augustine's school, received its charter for the year. William A. Doherty was presented with the scoutmaster's insignia and William Tammany received his tenderfoot badge.

The construction work on 5700 feet of High street is nearly complete, with much consideration given the crossing at Haverhill street. Brush has been cut back and a flashing, warning light installed.

Harold 'Sol' Walker leaves today for Illinois where he will join members of the University of Illinois baseball team. They will leave soon for Japan where they will play a series of games.

### 25 Years Ago — July, 1953

James Hart, a science teacher at Punchard High school, has submitted his resignation to accept a position with the Lexington school department.

A special town meeting has been called for Aug. 24 to allow residents to act on the matter of whether or not to continue provisions of the rent control law.

A group of West Andover boys raised funds for the Red Cross Disaster relief fund to aid victims of the Central Massachusetts tornado. Turning over \$13.25 to the Red Cross this week were David Lermond, Larry Sullivan, Morris, Richard and Henry Raymond, Andy Marum and Arthur Lebreck.

Miss Jan Steinert, daughter of Mr. and Mrs. Arther Steinert, 1 Union St., is appearing this week in the musical hit, "Aprin Strings," at the Windham Playhouse, Cobbett's Pond, N.H.

Three new teachers have been appointed to the Pike School faculty. Mrs. Richard Hornidge of Ballardvale Road, will direct the nursery program, assisted by Miss Brenda Giles of England. Mrs. Karl Haartz of West Andover will teach the third grade.

## Deep Sea Fishing Trip Set

The Summer Term Trip Club of the Andover-North Andover Y.M.C.A. has several special activities planned for the next few weeks. Boys and girls 7-12 years of age may register for the trips planned each Tuesday and Thursday.

Aug. 1 the Trip Club will go deep sea fishing out of Seabrook, N.H. and on the 3rd a visit to Good Harbor Beach in Gloucester is planned. Aug. 8 the boys and girls will travel to Ashland State Park and the Higgins Armory and the activity on the 10th will be a trip to Fenway Park to see the Boston Red Sox play Cleveland. Additional programs for the following weeks include a trip to Benson's Wild Animal Farm, Hampton Beach, Canobie Lake Park, etc.

The trip fee includes bus transportation. Participants bring their own lunch. Ed Neill, Y.M.C.A.

Youth Program Director supervises the trips with the assistance of Y.M.C.A. volunteer leaders and junior leaders. Details may be obtained at the office, 165 Haverhill St., Andover.

## U.S.-Built Cam Ranh Bay Air-Sea Base Is Asia's (and the U.S.S.R.'s?) Best

WASHINGTON — There has been a flurry in the backrooms of Washington over military bases in Vietnam. The United States left a giant permanent base at Cam Ranh Bay capable of accommodating the entire Seventh Fleet. The piers, docks, oil tanks, warehouses, repair facilities and airfields make this probably the finest air and seaport in all Asia.

From one end of South Vietnam to the other, the United States laid down huge 10,000-foot runways that would make airport officials in many American cities envious.

Now the Chinese have charged that Vietnam has turned over Cam Ranh Bay and other former American bases to the Soviet Union. A Soviet naval base at Cam Ranh Bay could challenge U.S. seapower in Asia.

U.S. intelligence agencies, therefore, carefully checked out the Chinese claims. They could find no evidence that the Vietnamese have actually given up these bases to the Soviets. But there are reliable reports that the Soviets are trying to take them over.

This is the secret reason that the United States is anxious to restore diplomatic relations with Vietnam. The Vietnamese are demanding economic aid — they call it war reparations — as the price for normalizing relations.

The United States is not willing to give any commitment. But once relations are restored, the Joint

Chiefs might actually recommend some aid in return for keeping the Soviets out of our former bases.

**Chaotic Cost-Cutting:** The fallout from Proposition 13 has Congress in an uproar. Congressmen are racing to demonstrate that they, too, want to cut spending. But they are wielding the budget ax indiscriminately.

The first big appropriation bills to hit Congress after the California tax revolt, for example, involved health care. One bill authorized the government to study expensive medical technology. This would have permitted the government to oppose the use of costly hospital equipment, which is driving up health costs.

The bill would have wound up saving money. But the senators, in a fit of tax-cut fever, voted it down.

Unfortunately, most congressmen don't apply the same restraint when it comes to wasteful, pork-barrel projects. A recent measure to set aside park land became loaded down with local pet projects. Not one of them is as important as reducing hospital costs.

Yet the pork-barrel bill sailed through Congress with no trouble. It seems that congressmen always want to cut spending in someone else's district.

A case in point is the curious support of Sen. Edward Kennedy, D-Mass., for the Law Enforcement Assistance Administration.

The LEAA has wasted

billions of the taxpayers' money to provide local police forces with Dick Tracy watches and Batmobiles. They haven't reduced crime at all.

We have seen one estimate that stated that the public has gotten only 12 cents in better law enforcement for every dollar spent. President Carter has admitted that the agency has been mispending money. Yet he didn't reduce the agency's budget. He increased it by almost \$200 million.

Sen. Kennedy, we have learned, was behind the increase. He will be taking over next year as the new Senate Judiciary chairman. He made a deal with the president to increase the law enforcement budget.

Kennedy had a good reason: The state of Massachusetts will be receiving 60 percent more of these funds than they have in the past.

**Alien Problem:** An estimated 500,000 illegal aliens swarm across our borders every year. These illegals have become a subculture of American society.

They take the jobs no one else wants. They work for substandard wages. They live in anonymity, fearful of being caught and shipped home. Those who are returned usually sneak back again.

Immigration Commissioner Leonel Castillo sympathizes with the wetbacks. Most of them, he told us, work harder than American citizens. He believes they have earned the

right to stay.

But some illegal aliens, according to secret intelligence reports, are used to smuggle drugs into the country. They often slip into U.S. ports as stowaways hiding aboard ships. Narcotics agents refer to these drug carriers as "mules."

Two shipping companies, according to the secret papers, bring in most of the stowaways. They account for 58 percent of the stowaway arrests. The two companies are Gran Colombiana and Prudential Lines.

**Headlines and Footnotes:** Liquor industry tycoons are getting nervous because the Food and Drug Administration may soon have the power to order nutritional labeling for booze. The liquor lobbyists believe they would receive gentler treatment if they were regulated by the Treasury Department's Bureau of Alcohol, Firearms and Tobacco ... Health, Education and Welfare Secretary Joseph Califano recently installed a \$100,000 air-conditioning unit in his office suite. Seems he likes to work weekends when the building's central air-conditioning system is off ... Thomas R. Hughes, administrator of the Agriculture Department's Foreign Service recently refurbished his office at a cost of \$26,000. His spokesman lamely explained that the place had to be fixed up because foreign officials frequently drop by.

## For Those Of Us Who Are Older

By Janet D. Lake

The next feature length film at The Haven is scheduled for Monday, July 31 and is titled "Sinbad in the Eye of the Tiger." It is free and starts at 1:30. And The Haven is air-conditioned.

It is not too late to sign up for the trip to Rockport, Aug. 2, but it soon will be. It will cost only \$4 for transportation and you may pack a lunch or buy one there. The bus leaves at 9:30 and returns to The Haven at 4:30.

Friday evening, Aug. 11, The Haven is sponsoring a theater party, travelling to Brooks School Summer Theater for a performance of "Equus." The bus will leave The Haven at 7 p.m. and return about 11:30. The \$3 covers the cost of the ticket as well as transportation. Let The Haven know you want to be included.

The group will also attend the Brooks School Summer Theater performance of Neil Simon's "The Gingerbread Lady" Aug. 24. You may make reservations for both "Equus" and "Gingerbread Lady" at the same time.

Senior Citizens Day at Salisbury Beach promises to be a fun time for everyone with sing-alongs, a banjo band and plenty of other activities planned for you. Make your reservation at The Haven. It will cost \$3-and is scheduled for Aug. 17, leaving The Haven about 10 a.m.

Every Friday afternoon at 1:30 there is a Bingo game at The Haven. You are welcome, you know. And if you call in advance — like the day before — The Haven can arrange for your transportation.

Saturday, Sept. 2, we'll travel to Beverly to the North Shore Music Theatre to see PEARL BAILEY. Included in the price of admission are a fashion show and luncheon as well as this special opportunity to watch that great lady perform. Price is \$12.50, and the bus will leave The Haven at 10:30 and return about 5 p.m.

## Lowell Prof To Translate

University of Lowell Philosophy Professor Paul Smith, will prepare English translation of H.G. Gadamer's German essays on Plato, through support of the National Endowment for the Humanities (N.E.H.). The project focuses on eight essays, hermeneutic, or interpretive works, and will be published by Yale University Press. Prof. Smith, once a student of Gadamer's, previously authored a volume on the German professor's studies on Hegel.

Smith, chairman of the Philosophy Department at U. Lowell's College of Liberal Arts, received undergraduate and

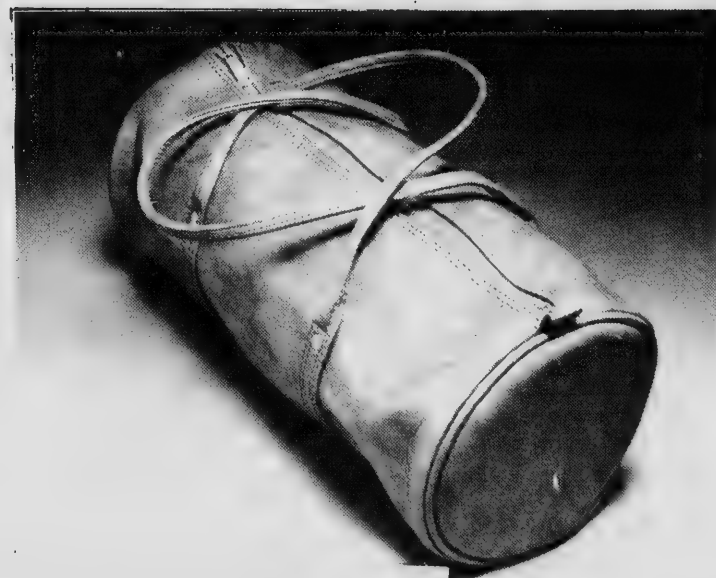

graduate degrees in philosophy from Columbia University. He completed his Ph.D work under H.G. Gadamer at Heidelberg University after five years of residency at the internationally known campus. As with Dr. Smith's Hegel book, his new research includes consulting with Gadamer in Germany. He expects to complete the major effort in 1979.

# Ruthers Extend Streak To 10

By Rick Harrison

The Andover Babe Ruth baseball team continued one of its longest success streaks in some time, stretching its undefeated string through 10 straight games with three victories and a tie over the past week.

The locals, surrendering only three runs in the four games, posted victories over Prospect Hill (14-0), Tower Hill (4-2) and South Lawrence East (2-0).

The tie game was a marathon 1-1 nine-inning gem against North Andover.

Those results moved Andover into second place in the Greater-Lawrence League pennant chase, 12-6 in the league and 13-9-2 overall.

Andover is scheduled to resume play tonight against North Lawrence at Mark Devlin Field, while next week road games are slated against Prospect Hill Monday (Mount Vernon Park) and Tower Hill on Tuesday (Mark Devlin).

## Andover, 14-0

Undefeated righthander Fred Foote came within one out of a no-hitter, while his teammates slammed 15 safeties off three Prospect Hill pitchers enroute to the lopsided 14-0 romp at the Playstead Field.

Foote, who raised his league record to 4-0 and his overall mark to 5-0, lost his no-hit bid when Mike Ferris looped a single to rightfield with two outs in the seventh stanza.

The shutout was the first of the season for Foote and the fourth for the Andover team.

The only serious threat by PH came in the seventh, when it loaded the bases with walks to Paul Hilton and Lou Mancini, along with Ferris' single. However, Foote got Mike Panagiatas to pop out to first baseman Bob Heidt, ending the game and preserving the shutout.

Andover sewed up the victory early, sending 11 batters to the plate in the first stanza and scoring six runs.

Wayne Merola and Tim Grams drew consecutive walks to start the inning, and later there were RBI singles by Jon Pelletier, Heidt and Jake Powell. Steve Rathbun slammed a two-run double and the other tally crossed on a fielder's choice grounder by Rich Grimm.

Andover added a run in the second when Pelletier lashed a leadoff single, took a second on a balk, third on Heidt's infield out, and scored on a passed ball.

The winners upped the spread to 9-0 in the fourth when Foote walked, advanced to third on a wild pitch and passed ball, and scored on Rathbun's infield single. Powell later singled home Rathbun.

The last five runs poured across in the bottom of the fifth on a walk to Foote and singles by Rathbun, Jim MacMillan, Powell, Merola, Ed Powers and Heidt.

Jake Powell led the offensive assault with a perfect 3-for-3 day and two RBI, while Steve Rathbun went 3-for-4, scored three runs and drove in three.

Jon Pelletier finished 2-for-3, Bob Heidt 2-for-5, and Wayne Merola had a hit, scored twice and collected two RBI.

Powers and Jim MacMillan delivered the other safeties, while Fred Foote walked three times and scored three runs.

Steve Rathbun was a defensive standout at shortstop with two putouts and three assists.

## Andover-NA, 1-1

In a superb pitcher's duel between Andover lefthander Bob Heidt and North Andover curveballer Mark Atwood, no one emerged victorious as the two archrivals fought to a 1-1 tie that was called by darkness after nine innings.

Heidt, who has surrendered only three earned runs in 45 innings, scattered eight NA hits, struck out 10 and issued one intentional walk.

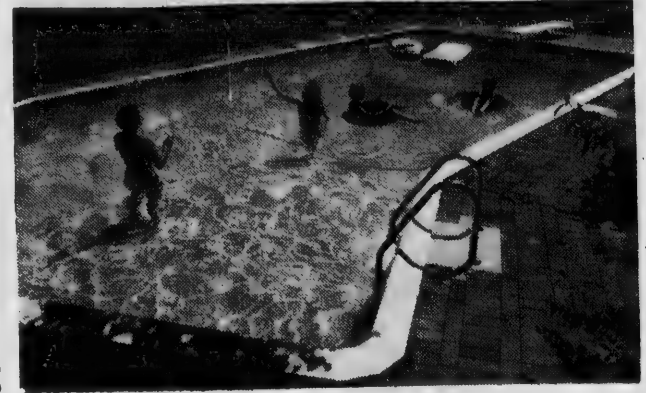

Atwood, beaten 3-2 by Andover earlier this season, allowed only three hits, fanned 13 and walked 10.

Andover left 12 runners stranded in the

game, leaving the bases loaded in the ninth and failing to get a runner home

## Babe Ruth

(Continued from Page 34)

from third two other times.

NA, which had the first man on base in six of the nine stanzas, left 10 runners stranded including two in the bottom of the ninth.

In the Andover first Wayne Merola walked and stole second, but that's as far as he got.

Bob Walmsley, 3-for-4 including a pair of doubles for NA during the night, opened the bottom of the first with a two-bagger. He was subsequently cut down trying to take third on an infield toppler to Heidt at the mound.

In the second Steve Rathbun led with a walk, stole second and took third on Fred Foote's infield out. Atwood fanned the next two batters, however, working out of the jam.

Rick Camire opened the NA second with a sliced single to rightfield. He stole second, but Heidt proceeded to Whiff the next three batters.

NA broke on top 1-0 in the third when Greg Bleszinski singled, and circled the bases on a long hit-and-run double to leftfield by Walmsley. Walmsley took third on an infield out, but he was left stranded.

With one down in the Andover fourth Heidt beat out an infield hit, took second on an error, and stole third. A bouncer to the mound and a long flyout to centerfield by Foote ended that threat.

In the last of the fourth Camire reached second base on a throwing error, took third on an infield out, but stayed there as Heidt fanned Ken Dillman and retired Fred Finocchiaro on a bouncer to the mound.

In the Andover fifth Rich Grimm walked, but he was erased at second on Tim Grams' fielder's choice grounder. Grams took second on Wayne Merola's infield hit, but Jake Powell grounded to third as the frustration continued.

With a runner at third and two out in the NA fifth, leftfielder Jon Pelletier made an outstanding sliding catch in foul territory off Atwood to end the inning.

The locals tied it 1-1 in the sixth when Pelletier walked, took second on Heidt's sacrifice, and scored when Steve Rathbun ripped a sharp single to leftfield.

Rathbun was erased at second on a fine throw from catcher Camire to shortstop Rick Roche. Foote then walked and stole second, but Atwood struck out the next batter to end the stanza.

In the last of the sixth Camire stroked a one-out double to right. He took third on Dillman's two-out single to leftfield, but Heidt bore down to whiff Finocchiaro for

the third out.

Bleszinski started the NA seventh by reaching on an error. With one out Walmsley slammed a single to centerfield. Bleszinski was cut down on a fine throw from Tim Grams to Ted Kelley at third, and then Walmsley was erased when Kelley gunned the ball to second baseman Powell.

Andover loaded the bases in the ninth. Grams drew a one-out walk and stole second. With two down Merola was passed intentionally, and then Powell walked to jam the bases. A pop-up to second base ended the threat.

In the bottom of the ninth Dillman legged out an infield single and stole second. He was caught going to third on a bouncer back to Heidt, but Finocchiaro took second on the play. Bleszinski was intentionally walked with two down, and the game ended when Ken Long's infield pop was taken in foul territory by first baseman Foote.

Powell, Kelley and Heidt played well defensively for Andover.

### Andover, 4-2

Although managing just two hits off three Tower Hill pitchers, Andover scratched and clawed its way to a 4-2 victory to extend its undefeated streak through nine games.

Steve Rathbun (2-2) picked up the mound win in relief of starter Jon Pelletier, as Rathbun scattered five hits and permitted just one run in his four inning stint.

Andover loaded the bases with no outs in the second when Rathbun walked, Fred Foote reached on an error; and Rich Grimm's sacrifice bunt was misplayed.

Ed Powers followed with a bouncer to third. Rathbun was erased on a force play at the plate, and when Foote made a wide turn at third he was nailed in a rundown. Moments later Grimm was cut down trying to take third.

TH came back to grab a 1-0 edge in the bottom of the second. Rick Dodge walked with two down, stole second, and took third on Pete Mical's hump-back single to rightfield.

Mical then attempted to steal second base, and while he was in a rundown Dodge scored from third.

Andover bounced back with two out in the third when Jake Powell singled to rightfield, Jon Pelletier reached on a fielder's choice, Bob Heidt walked, and the first two runners came around on a wild pitch.

Rathbun entered in the bottom of the third and worked his way free of a bases-loaded, two-out situation.

TH tied it 2-2 in the fourth, however.

Brian Toohey walked and Pete Mical stroked a single to leftfield. The runners advanced to second and third on Dave Fazio's infield out, and then Mark Vachon drilled a sharp single down the leftfield line to score Toohey.

Mical also tried to come home on the hit, but a perfect one-hop throw from Rich Grimm to catcher Wayne Merola nailed him and ended the inning.

Andover regained the lead 3-2 in the fifth. Merola led with a solid single to leftfield, stole second, took third on Jake Powell's bunt, and scored when Jon Pelletier laid down a squeeze bunt.

The unearned insurance run came in the sixth as Steve Rathbun walked, took second on a wild pitch, stole third, and scored on a throwing error.

A single by Toohey and a walk to Dodge put men at first and second with one out in the TH sixth, but Rathbun worked free with a fly ball to Grimm and a strikeout.

Andover loaded the bases with one out in the seventh on an error and walks to Powell and Pelletier. Heidt's grounder to first forced a runner at the plate, leaving the bases loaded, and Rathbun skied out to centerfield.

Vachon opened the Tower Hill seventh with a single. But he was gunned down at second base on an alert play by Tim Grams, who grabbed Toohey's liner and fired to shortstop Fred Foote for the forceout.

Mark Cockroft followed with a single, but Toohey was erased at third on Tom Driscoll's bouncer to the mound.

Brian Riddick walked to load the bases with two down, and then Toohey grounded sharply to Heidt at first to end the game.

Cockroft, Vachon and Toohey all pitched for TH, pooling talents for the two-hitter, six walks and four strikeouts.

Vachon and Mical both went 2-for-3 to pace TH.

### Andover, 2-0

Lefthander Bob Heidt continued his spectacular pitching for Andover, blank-

ing South Lawrence East 2-0 at the Playstead.

Heidt tossed a four-hitter to register his fourth shutout of the season, walking four and striking out six. Bob retired the last 10 batters he faced.

Heidt has now hurled 52 innings this season, allowing just 29 hits while striking out 48 and walking 21.

Most impressive, however, is the fact he has surrendered only three earned runs for a miniscule 0.58 E.R.A.

His record is 5-1-1 and he has pitched seven consecutive complete games.

Andover scored a pair of unearned runs in the bottom of the fourth against hard-luck loser Matt Callahan, who fired a six-hitter with two walks and three strikeouts.

## Babe Ruth

(Continued from Page 35)

Steve Rathbun led the fourth by reaching first base on an infield error.

Fred Foote followed with a long RBI double to right-centerfield, and he scored when Rich Grimm's infield grounder was misplayed for a two-base throwing error.

Andover threatened to break the game wide open in the fourth, as Jake Powell walked and Wayne Merola drilled a one-out single to leftfield loading the bases.

Callahan kept things close, however, getting the next two batters on a strikeout and routine fly to leftfield.

The only other serious threat by the locals came in the first, when they loaded the bases with two down on an error and consecutive singles by Heidt and Rathbun.

Foote sent a long fly to centerfield, but Don Rennie tracked it down.

The strongest bid by SLE, which split the four-game season's series with Andover by taking 7-4 and 4-0 decisions early in the year, came in the first inning.

Bernie Conway led off with a single up-the-middle, and with one out Rennie angled an opposite-field double to left.

Joe O'Neill then drilled a hard liner to Ted Kelley at third base. He made the grab in his tracks, and doubled Conway easily to end the inning.

O'Neill opened the SLE fourth with a single. He was thrown out stealing, Merola to Rathbun. Heidt later issued successive two-out walks to Callahan and Steve Rourke, but Rob Hamilton's grounder to Foote at first ended the stanza.

That was the beginning of Heidt's 10-man stretch, as only one East player hit the ball out of the infield in the last three frames.

Heidt finished the game 2-for-3 at the plate, and Merola was 2-for-4.

Andover played errorless ball behind Heidt, and Merola gunned down two runners trying to steal.

Merola himself was also erased by O'Neill, only the second time in 27 attempts that Wayne has been thrown out (both pitchouts).

## \$1.5 Million Tax Refunds Are Mailed

Refund checks numbering 1,568,000 have been mailed to all 1977 Massachusetts income tax filers who completed error-free returns.

"More than \$152 million in refunds have been mailed to those who filed returns free from error and the only refunds still being worked on are those in which errors were detected," according to State Tax Commissioner Laurence D. Fitzmaurice.

Fitzmaurice said that of the 400,000 returns filed with errors, only 125,000 remain to be processed.

"We've instituted a concerted effort to have all returns of this nature processed and the refunds issued no later than Aug. 14," he said. "This marks the earliest date ever that the Tax Department completed all refund mailings."

Fitzmaurice said that the Department received 2,250,000 individual income tax returns and 1,683,000 either received or will receive refunds.

"The accomplishment of completing the task by Aug. 14 can be attributed to improved on-line computer capabilities for the processing of returns as well as a quicker method of correcting inaccuracies through the use of computer terminals," he said.

## RABBIT DIESEL. DRIVE THE HIGHEST MPG CAR IN AMERICA.

Start 'er up and you may be in for a surprise. Because the most astonishing news about our economy car isn't the economy. It's the car. For example: Are you the kind of person who enjoys zipping from 0 to 50 in a mere 11.5 seconds? Well, you'll be ecstatic in a Rabbit. In fact, it's already set 31 world records for Diesels.

Another example: room. Open the hatch, and (amazingly!) there's more trunk space than a Cadillac Seville. Fold down the rear seat and (shockingly!) there's almost as much cargo room as some station wagons.

Then open the door. Your eyes don't deceive you. It has more people room than 40 other cars you could buy.

What's more, you should be thrilled to know diesel fuel costs about 10¢ a gallon less than gasoline. Diesel engines hardly ever need regular tune-ups. And to top it all, a Rabbit Diesel won top honors in the latest EPA mileage tests with 53 MPG highway, 40 MPG city.

(EPA Estimates. Actual mileage may vary with how and where you drive, optional equipment and your car's condition.)

Now, how can you resist a test drive in a car like that?

## Reichhold Earnings Increased

Reichhold Chemicals, Inc. has reported that second quarter earnings for 1978 increased by 39.5 percent to \$5,649,000, or 71 cents per common share, from \$4,049,000, or 51 cents per common share, in 1977. Sales during the same period increased 11.8 percent to \$196,402,000 from the 1977 figure of \$175,721,000.

For the six months period ending June 30, 1978, earnings reached \$8,601,000 or \$1.03 per common share, up 30.1 percent from earnings of \$6,610,000, or 88 cents per common share, for the same period in 1977. Sales for the first six months were a record \$374,467,000, an increase of 12.5 percent over the sales of \$332,781,000 for the same period in 1977.

"The improvement in earnings during the first six months of 1978 indicates that the steps taken to control costs have helped to improve margins in a number of

our product lines, in spite of continuing severe competition in most of our major markets," stated Peter J. Fass, president.

"Maintaining our record sales growth," Mr. Fass continued, "is evidence both of

the steady growth and strength of the markets we serve and the market acceptance both of new products we have introduced or become involved with over the past few years, as well as for our traditional lines."

## Earnings Sales Up At Gillette

Sales and earnings of The Gillette Company rose in the second quarter and for the six months ended June 30, 1978 and the quarterly dividend was increased, Colman M. Mockler, Jr., chairman and chief executive officer, said today.

Sales for the three months ended June 30, 1978 were \$417,189,000 compared with \$376,863,000 for the same period in 1977, an increase of 11%. Pretax income was \$48,342,000, an increase of 37% from \$35,169,000 in 1977. Consolidated net income was \$25,828,000, an increase of 43% from \$18,079,000 in the same period last year. Earnings per share of \$.86 compared with \$.60 a year earlier.

For the six months ended June 30, 1978, sales rose 7% to \$815,901,000 compared with \$764,326,000 in 1977. Pretax income was \$90,743,000, up 9% from \$83,558,000 for the same period in the prior year. Con-

solidated net income of \$48,111,000 compared with \$43,150,000 in 1977, an increase of 11%. Earnings per share of \$1.60 compared with \$1.43 the year before.

Sales of Gillette North America were slightly higher in the second quarter and operating profits were well above last year.

For the six months, sales and operating profits rose slightly from the same period a year earlier.

Gillette International's sales were well above last year for the second quarter and the six months and operating profits were higher than in the comparable periods of 1977.

Sales and operating profits of the Braun group

were sharply higher in the quarter compared with the same period a year earlier due in part to the higher German mark exchange rate. For the six months, sales and operating profits were above the level of a year earlier.

Net interest costs were lower in the quarter and for the six months. Net exchange losses were in-

significant in the quarter compared with a loss for the same period last year, but they were higher at the end of six months.

Pretax income for the second quarter includes \$3,000,000 of royalty income, resulting from the settlement of a long-standing patent dispute with the Warner-Lambert Company, announced in June,

involving certain blade and razor patents. During the quarter, \$2,400,000 was charged to pretax income, reflecting write-offs of goodwill relating to minor businesses.

At its meeting today, the Board of Directors declared a quarterly dividend of 40 cents per share payable September 5, 1978 to stockholders of record Aug. 1.

## LEGAL NOTICES

### MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the power of sale contained in a certain mortgage given by L. JOHN DAVIDSON (also known as Leon John Davidson) of Andover, Essex County, Massachusetts, to Essex Broadway Savings Bank, a corporation duly established under the laws of the Commonwealth of Massachusetts, having its usual place of business at Lawrence, Essex County in said Commonwealth, dated March 9, 1973, recorded with North Essex Registry of Deeds, Book 1213, Page 594, of which mortgage the undersigned is the present holder, for breach of the conditions contained in said mortgage and for the purpose of foreclosing, the same will be sold at PUBLIC AUCTION ON THE PREMISES NUMBERED 123½, 125, 127 MAIN STREET, AT 125 MAIN STREET, ANDOVER, MASSACHUSETTS, ON THURSDAY, AUGUST 24, 1978, at TWO THIRTY O'CLOCK P.M., all and singular the premises described in said mortgage, to wit:

Six certain parcels of land, with the buildings thereon, situated in said Andover, bounded and described as follows:

**FIRST PARCEL:** Bounded and described as follows: Beginning at a point in the westerly line of Main Street which is sixty-five and 24/100 feet north of its intersection with the northerly line of Morton Street; thence northerly by said Main Street seventy-six and 5/10 feet to the south line of a passageway known as Chapman Court; thence westerly at right angles with said Main Street and by the Southerly line of said Chapman Court one hundred one and 2/10 feet to other land of the said AGNES DAVIDSON, being the second parcel herein described; thence southerly by other land of said AGNES DAVIDSON nineteen and 5/10 feet more or less to the northeast corner of land now or formerly of one SANBORN; thence further southerly by said SANBORN'S land and by a fence thirty-three and 7/10 feet to land now or formerly of one CHAPMAN; thence Easterly by said CHAPMAN'S land thirty-seven and 9/10 feet; thence southerly by said CHAPMAN'S land twenty and 9/10 feet; thence again easterly by said CHAPMAN'S land twelve and 75/100 feet; thence southerly by said CHAPMAN'S land four feet; and thence easterly again by a fence by said CHAPMAN'S land forty-nine feet to Main Street at the point begun at, the interior angle at the southeast corner of the premises being 90° 47'.

Said premises will be conveyed subject to an easement to ROSE A. CHAPMAN as set forth in an instrument dated January 4, 1928, recorded with North Essex Registry of Deeds, Book 537, Page 272, insofar as it is still in force.

**SECOND PARCEL:** Bounded and described as follows: NORTHERLY one hundred fifteen and 3/10 feet by land now or formerly of WALKER as the fence stands; EASTERLY eighty-six and 6/10, partly by land of ROSE A. CHAPMAN, partly by a way known as Chapman Court, and partly by other land of the said AGNES DAVIDSON, being the first parcel herein described; SOUTHERLY one hundred and 5/10 feet by land now or formerly of SANBORN as the fence stands; and WESTERLY ninety-five feet by land now or formerly of one DRAPER; all of said measurements being more or less.

The above described two parcels will be conveyed subject to the right of way in the said ROSE A. CHAPMAN and her heirs and assigns in a strip of land four feet wide running westerly from Main Street for a distance of forty-nine feet, the southeast corner of which way is at a point in the west line of Main Street identical with the southeast corner of the premises hereinabove described, the said way to be kept open for the benefit of the adjoining owners on either side thereof for all purposes of a private way.

**THIRD PARCEL:** Bounded and described as follows: SOUTHERLY one hundred one and 2/10 feet by the first parcel herein described; WESTERLY nine feet more or less by the second parcel herein described; NORTHERLY one hundred one and ½ feet more or less, by land of ROSE A. CHAPMAN, the southerly line being parallel with and nine feet distant north from the first line herein described; and EASTERLY nine feet by Main Street.

Said premises will be conveyed subject to the right of the adjoining owners to use the same as a common

passageway for vehicles and foot passengers to and from Main Street; and subject to the right of the owners of the premises north thereof to enter the sewer running through said way as described in a deed from ROSE A. CHAPMAN to the said AGNES DAVIDSON, dated January 4, 1928, recorded with said Registry of Deeds, Book 537, Page 273; and subject to an easement as set forth in an indenture between LEON and AGNES DAVIDSON, husband and wife, in her own right, and ROSE A. CHAPMAN, dated August 9, 1930, recorded with said Registry of Deeds, Book 554, Page 330, insofar as the same is still in force.

**FOURTH PARCEL:** Being shown on "Survey of Land, Andover, Mass." for ROSE A. CHAPMAN, dated August 1925, D. W. Clark, C. E., recorded in said Registry of Deeds as Plan No. 617, bounded and described as follows: NORTHEASTERLY by Main Street sixty-five and 24/100 feet; SOUTHEASTERLY by Morton Street fifty-three and 6/10 feet; SOUTHWESTERLY by land now or formerly of Chandler forty-five and 75/100 feet; NORTHWESTERLY by said land of Chandler four and 25/100 feet; SOUTHWESTERLY by said land of Chandler twenty-one feet; and NORTHWESTERLY by other land of the grantor and a four foot right of way forty-nine feet.

There is appurtenant and said premises are conveyed together with a right of way in a strip of land four feet wide running westerly from Main Street for a distance of forty-nine feet, the Northeast corner of which is at a point in the westerly line of Main Street four feet northerly from the northeasterly corner of the premises hereinabove described, said way to be kept open for the benefit of the adjoining owner on either side thereof for all purposes of a private way.

**FIFTH PARCEL:** Bounded and described as follows: Beginning on the Southwesterly side of Main Street at a point 297 feet Southeast from the Southeasterly corner of Locke Street; thence running Southwesterly 240 feet; more or less, to a stone bound at land now or formerly of DRAPER; thence Southeasterly on said land now or formerly of DRAPER 87 feet; thence Northeasterly 227 feet, more or less, to said Main Street; thence Northwesterly on said Main Street 87 feet to point of beginning.

**SIXTH PARCEL:** A certain parcel of land with the buildings thereon situated on the westerly side of Main Street in Andover, being now numbered 121 on said Main Street, bounded and described as follows: NORTHEASTERLY by said Main Street, eighty (80) feet; NORTHWESTERLY by land now or formerly of JOSEPH A. ## ITEMIZE HOUSE TAX DEDUCTIONS

One of the great financial benefits of home ownership versus rental is that you are immediately eligible to deduct a good-sized amount of money from your income tax. As a homeowner, you will generally find it to your advantage to itemize deductions rather than taking the standard deduction.

This is especially true during the earlier years of home ownership. The mortgage interest and real property taxes on your personal residence, when added to other deductible items will usually be well in excess of any standard deduction you could claim.

Your home payment may consist of several parts; an amount placed in escrow to pay real estate taxes and fire insurance, FHA mortgage insurance premiums, and an amount applied to reduce the principal of the mortgage. Of these parts, only the interest and taxes are deductible — but that will prove to be a very sizable figure.

that direction.

In fact, she said Sept. 1 is "an excellent cutoff date . . . but it doesn't solve all our problems."

If given her ideal, she told them she would offer developmental testing to a much wider range of children, those whose birthdays fell between September of one year and December of the following year.

She tested a total of 49 youngsters this spring on the request of their parents, and recommended that 34 go ahead into kindergarten. Of those, she said 20 fell into the "ready" category, or showed five-year-old behavior, whereas 12 were "ready with reservations," or showed marginal five-year behavior. A total of 17 tested "not ready," or showed no five-year behavior.

While admitting her sample was small, and somewhat distorted by the fact that these were all children whose parents felt they were ready, she said they tested out near the national norm of 25 percent "ready."

The arbitrary cutoff date will hold back some youngsters who are ready for school, but, contrary to a lot of emotional feelings on the part of parents she said she has never heard of a case where a child had been negatively affected by being held back.

In fact, she said youngsters at that age are stimulated at so many different levels by the world around them, that they just go on learning anyway.

She said studies show that schools are so stressful these days, that it is better to give a child the extra time when possible.

If children have to be held back later on, she said, the impact can be very negative on their self-concept.

She added that tutoring is often traced back to over-placement or youngsters being started too early, and that if parents followed the decision of waiting, there would be less need for special needs.

Committeeman Casimir Kolaski was the lone member in favor of continuing, and in fact extending, the testing. But Supt. Kenneth R. Seifert said that until the system has greater flexibility, he would like to have the youngsters as mature as possible before they enter school.

Seifert also complimented Mrs. Gershenberg on the "understanding and sensitivity" she has shown toward developmental issues. She has just completed her first year with the system.

management program.

Timothy Sullivan president of the college, said this week, that the school will be moving to a building which it owns, and will be strengthening its program with the additional course offering.

The college currently rents its 90 Main street property in Andover where it has conducted accounting and management programs.

Sullivan said that the salon management course will provide for one of the fastest growing fields in the country. A Connecticut based firm currently has some 138 applicants for franchised unisex salons.

Also, Donald Solari, who heads the ownership of Andover Junior College has six beauty schools. Combination of the schools with the salon management program, in the new quarters in Lowell, will greatly enhance the school's ability to meet modern needs, Sullivan said.

Enrollment at the school is about 160 to 200 students in the accounting and management program leading to an associate degree. This will be increased

with the additional program.

The school has had a junior college charter since 1973.

Prior to that the school had operated in its present location as the Andover Institute of Business since the mid-1960's.
